Shaun Finch

UI/UX Designer · AI Workflows & Evaluation · Motion Design

shaundavidfinch@gmail.com · Manchester, UK
linkedin.com/in/shaun-finch · Portfolio: shaun-finch.github.io/Design

PROFESSIONAL SUMMARY

UI/UX designer with eleven years of visual and motion craft, now focused on AI tools and workflows. Currently designing and building Halvia, a set of AI workflows and tools for healthcare staff, using Claude Code, and recently completed Mercor's Introduction to Agents certification. Alongside this, an independent contractor with Mercor, contributing to AI-related project work. Previously a motion and UI designer for the BBC, Universal Studios, Paramount Pictures and LIV Golf, delivering to fixed broadcast deadlines where typography, hierarchy and timing had to be right first time. Growing specialism in health and science.

SKILLS & SOFTWARE

AI Workflows Designing AI-assisted workflows for real users · Building AI tools with Claude Code · Agent task design and review · Prompt design and testing · Human-in-the-loop review

AI Evaluation Evaluating AI outputs with a designer's eye · Evidence-based written rationales · Prompt writing and testing · Working to detailed guidelines under time limits

Specialist Domains Visual design and typography · Layout, hierarchy and composition critique · Motion and video · UI/UX and front-end review · Data visualisation for STEM content · Health and science content

UI/UX Figma · Framer · Adobe InDesign · Lottie animations · Microsoft Visual Studio · Android Studio · Claude Code · GitHub

Front-end HTML & CSS (intermediate)

Motion & Post-Production Adobe After Effects · Adobe Premiere Pro · Cinema 4D · Blender · Unreal Engine · DaVinci Resolve · Google Flow (Google Labs)

AI PROJECT EXPERIENCE

Independent Contractor · Mercor.io Corporation — Remote *May 2026 – Present*

- Contributing to AI-related project work for Mercor clients as an independent contractor.
- Applying eleven years of design judgement to AI-related work, giving clear, evidence-based written rationales.
- Working independently to detailed written guidelines under tight turnaround times.
- Adapting quickly to new formats and guidelines as projects change.

DIGITAL DESIGN & CORPORATE EXPERIENCE

Motion Designer & Digital Designer · Virtual Spaces — Remote *September 2025 – Present*

- Product explainer for the CHKS clinical coding system (NHS).
- Interactive UI development using Framer and Claude Code.
- Video-based edits for clients including B2B explainers and short-form social media cutdowns.

Property Management & Leasing Associate · The Ringley Group — Camden, London *August 2024 – September 2025*

- Sales negotiation, client management, and high-volume scheduling.
- Managed legal paperwork for rental move-ins, property inspections, and customer disputes within UK property law.

Digital Designer · P54 (Performance 54) — London *March 2023 – February 2024*

- Design and strategy of digital content for international golf organisations: LIV Golf, Aramco Team Series, The International Series, England Golf, Saudi Golf.
- Video marketing for globally recognised events, including digital OOH campaigns on multi-screen billboard complexes.
- Worked in live media rooms during sports events, creating real-time social graphics alongside the social media team.
- Designed B2B sales decks and presentations to communicate campaign success and performance metrics.

Motion Graphics Designer · Vidsy — Remote *2023 – 2025*

- Short-form video campaigns for TikTok, NowTV, UKTV, and Peacock.

Motion Designer & UI Designer · Chatloop — Remote *June 2022 – February 2023*

- Social media start-up based in Manchester (chatloop.com).
- Created motion graphics for social media and launch events; developed app motion elements using Lottie Files.

Motion Graphic Designer · XYI Design — Hammersmith, London *August 2021 – June 2022*

- Localised 30 Hollywood movie titles for international markets — Universal Studios and Paramount Pictures.
- Averaged 20–50 renders per day; created 3D animated titles in Cinema 4D for digital displays and billboards.
- Developed short-form movie trailer strategies by analysing narrative alignment with client targets.

Motion Graphics Designer · BBC — London *July – September 2021*

- Developed short-form social media advertisements for EastEnders and BBC iPlayer.

Motion Graphic Designer · Borough Creative — Remote *July 2019 – August 2021*

- Provided clients with contemporary visuals to captivate target audiences and build brand image online.
- Clients included Workday, Cardano (Crypto), and Sahara.is.

Digital Designer & E-commerce Marketer · Mollie Fashion — Manchester *November 2018 – January 2020*

- Designed and developed website layouts for enhanced user experience; photography and photo editing for garment showcase.
- Managed digital marketing for eBay account and website to optimise e-commerce sales and brand visibility.

Junior Graphic Designer & UI Designer · BOI Trading — Manchester *July 2015 – July 2016*

- Photo retouching, basic CSS for web design, and garment photography.
- Designed website features and marketing strategies; video production for fashion e-commerce.
- Clients included Bench, Crosshatch, and Slazenger.
